

Your Partner for Solar Energy Project

The 2nd JAEF 2018

Koichi Kawana
Executive Vice President

Takeshi Hashizume

JGC

Agenda of the Day

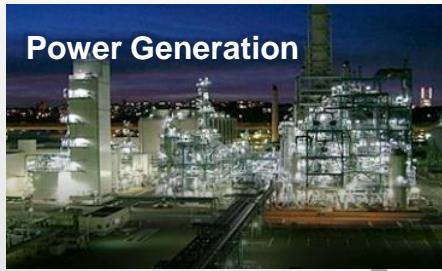

1. JGC's Business Sector
2. JGC's EPC Experience
3. JGC's Investment Experience
4. Mega Project in North Africa
5. CSP
6. ISCC
7. Beam Down CSP
8. PV Demonstration
9. Evaluation of Each Technology
10. Contact Information

Business Sectors

Engineering & Construction

**Oil & Gas
Development**

Power Generation

LNG

Medical Facilities

Refineries

Chemicals

**Exploration &
Production**

Water

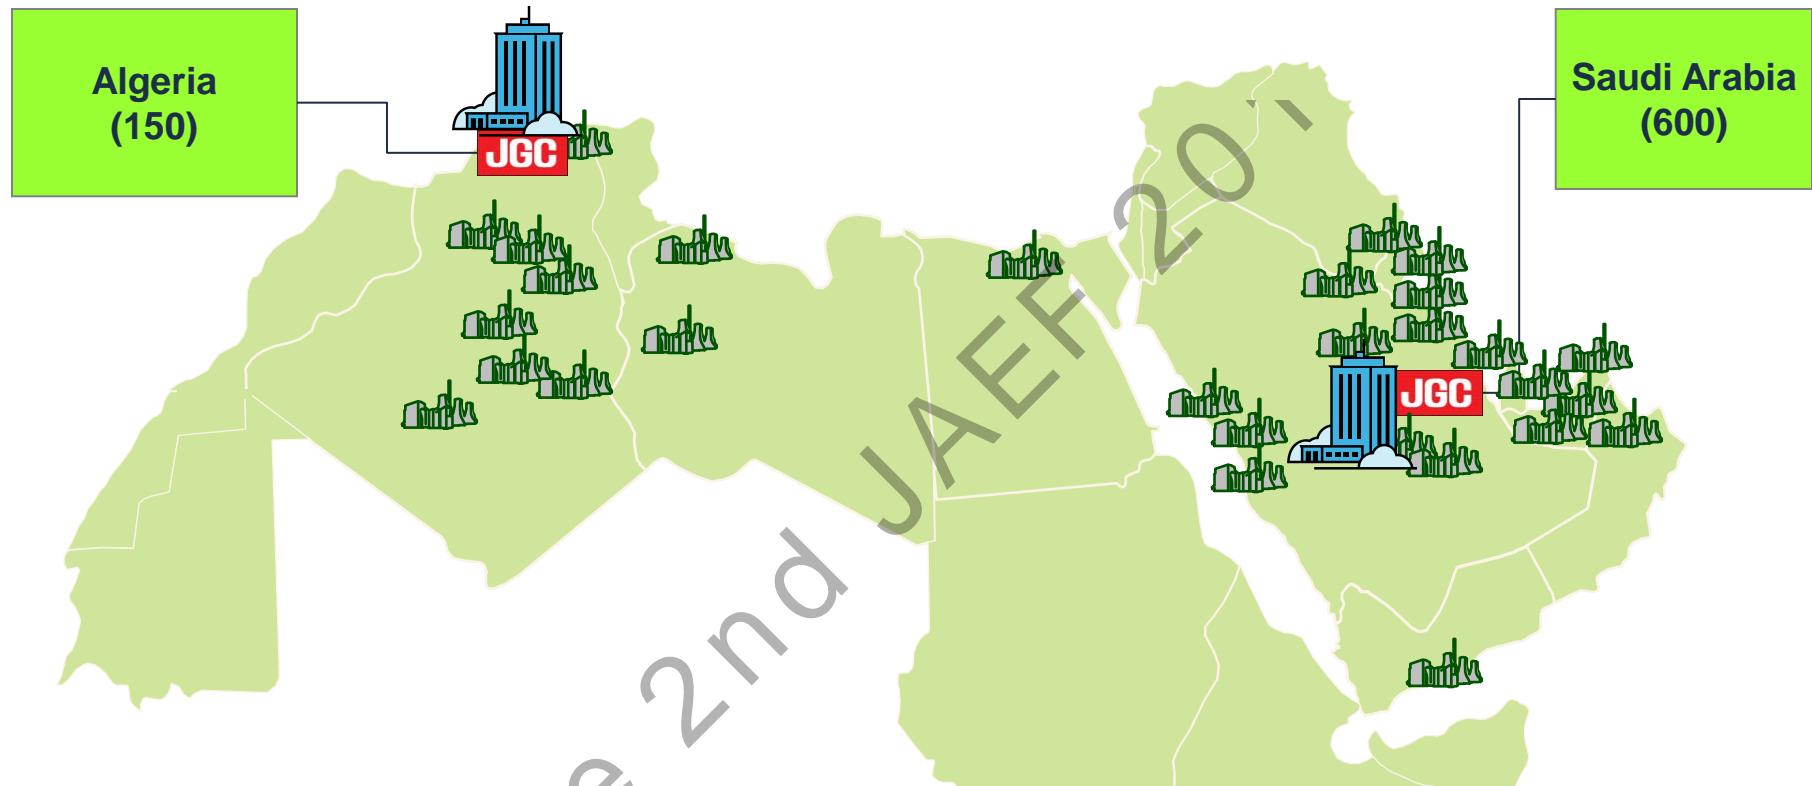

IWPP

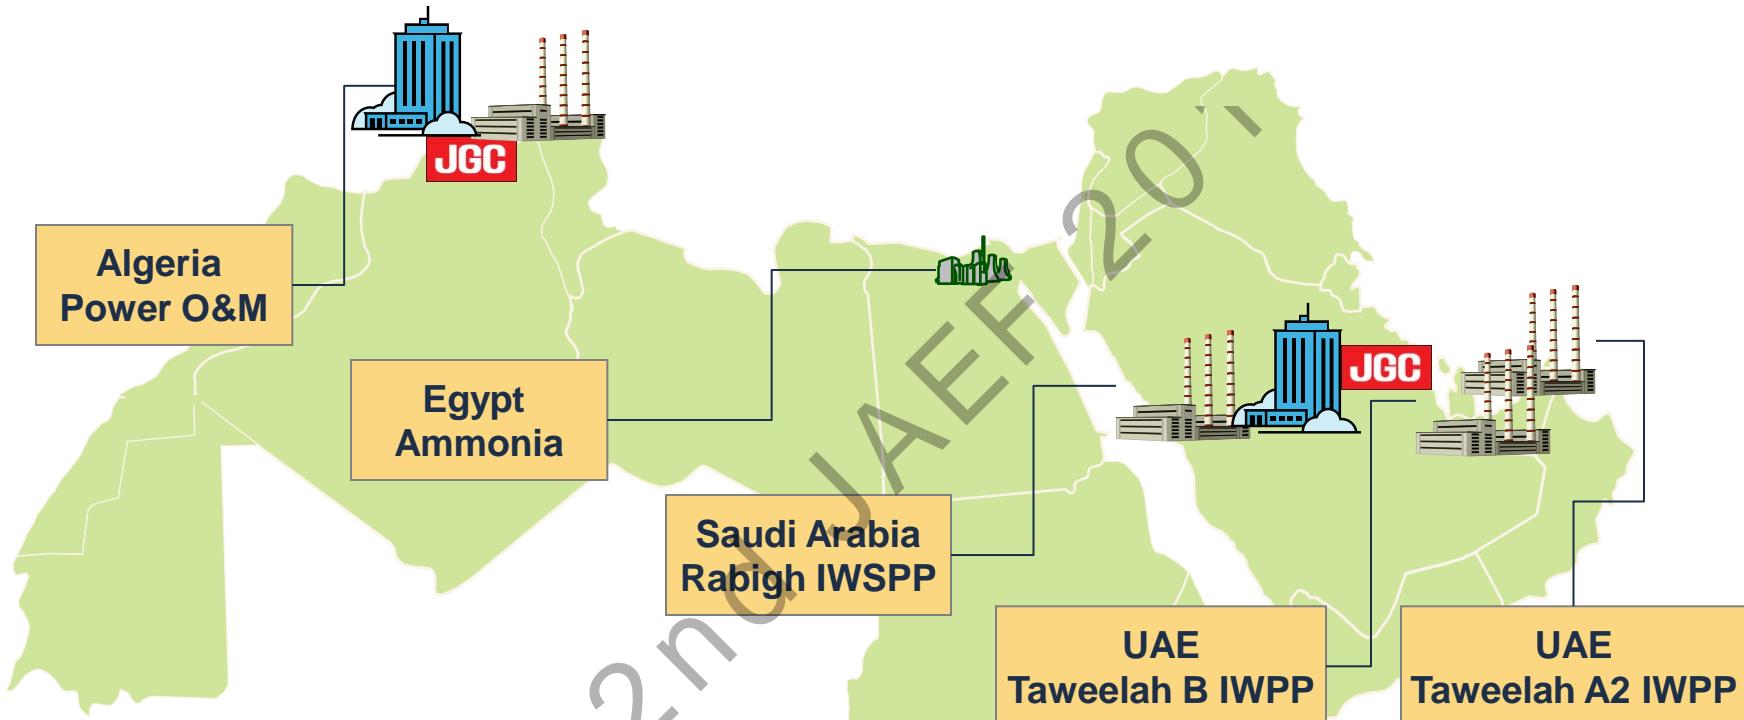

Renewable

Investment

Engineering & Construction Experience in Middle East, North Africa

Investment Experience in Middle East, North Africa

Mega EPC Project in North Africa

Before

After

Concentrated Solar Power

The 2nd JAEEF 2011

50 MW × 2
Partner=Abengoa

(Source: Abengoa Solar)

ISCC

(Integrated Solar & Combined Cycle)

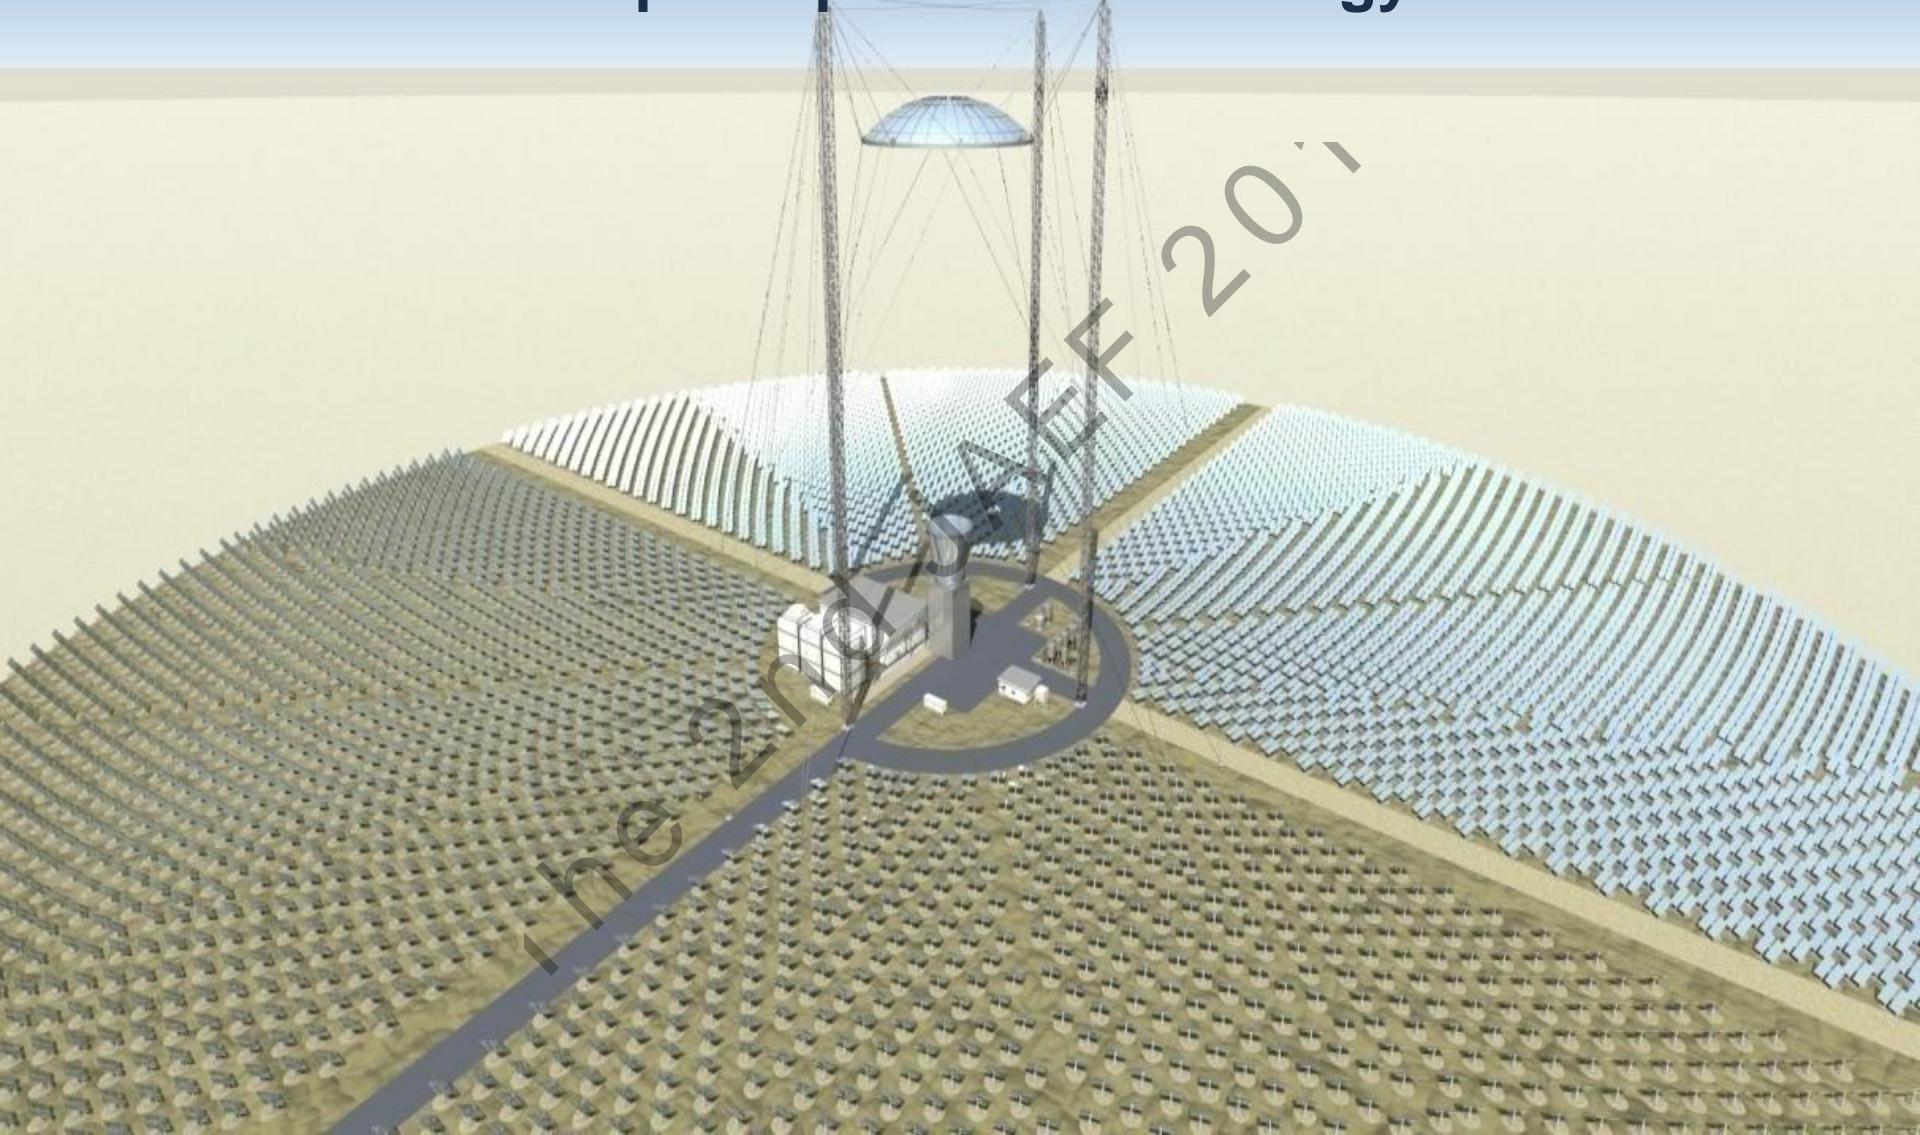

+

Hybrid Energy Consortium

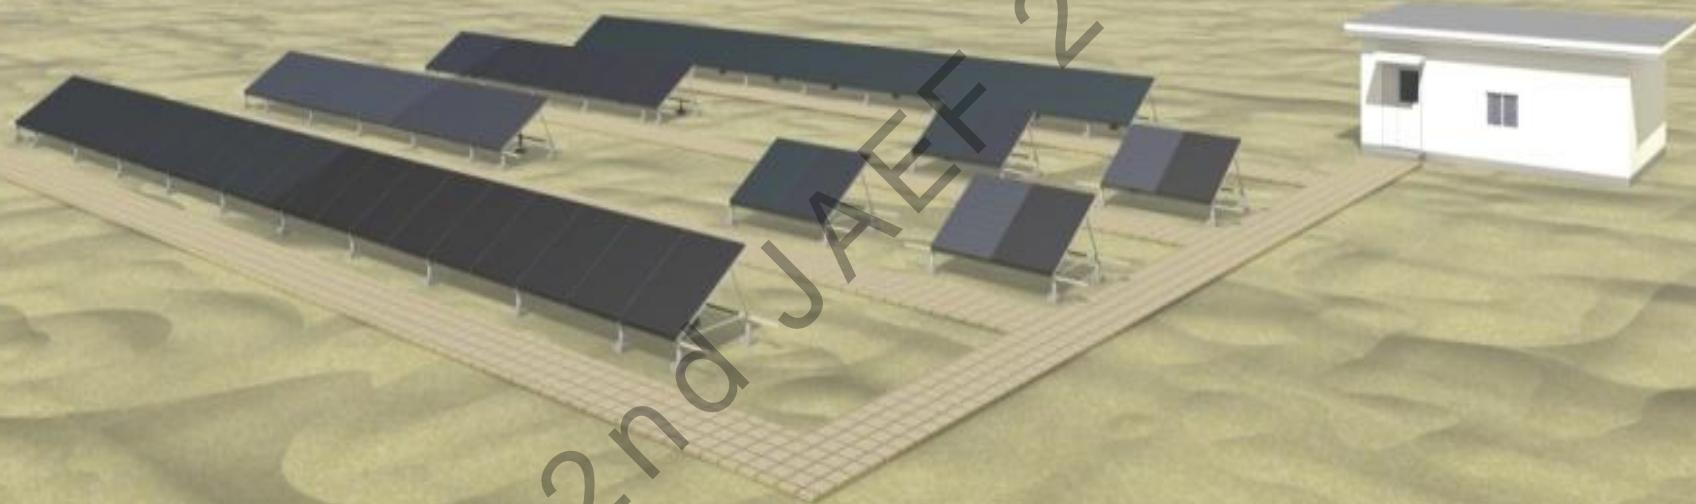

Beam Down CSP

-Unique Japanese Technology-

PV Demonstration Project

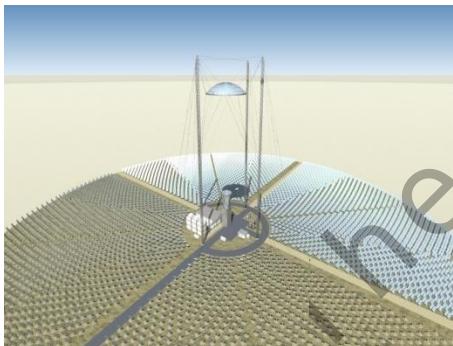

JGC's Evaluation on Each Technologies

PV

Trough CSP

Beam Down

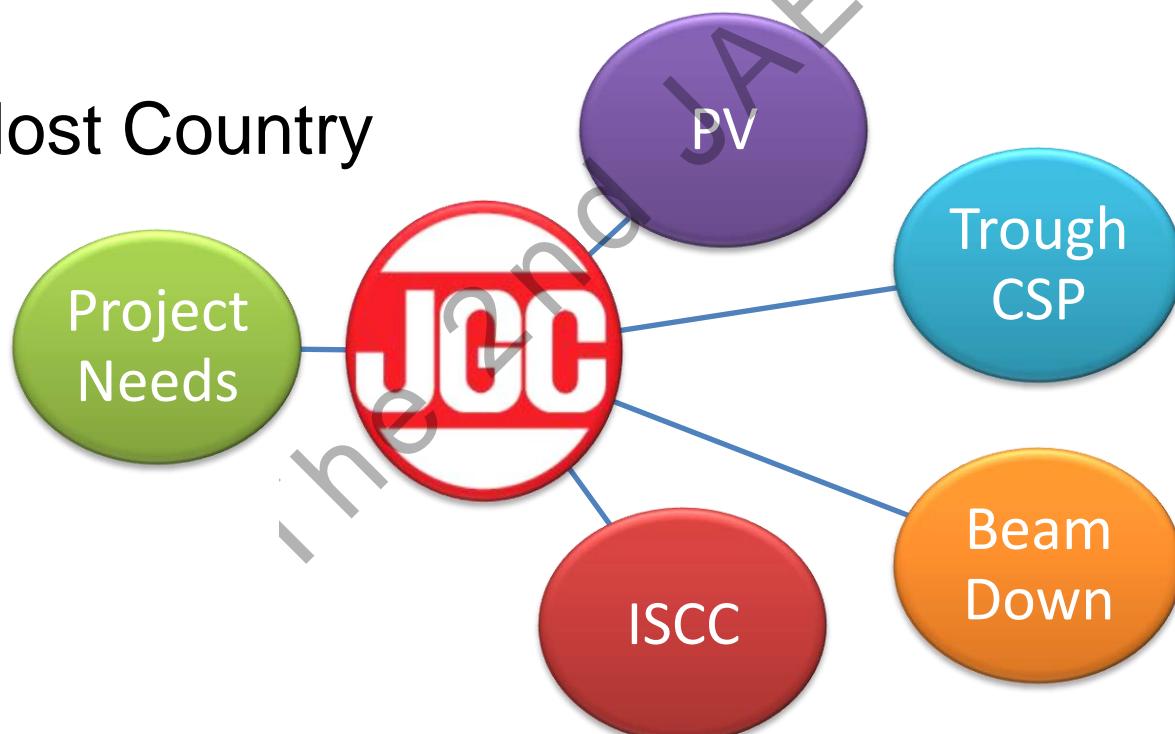

ISCC
