I would like to take this opportunity to express my appreciation and gratitude to you and your esteemed Japan Cooperation Centre for the Middle East (JCCME) team. We are confident that numerous opportunities exist to further develop economic relations between our countries, and we are committed to leverage the JCCME platform to cultivate them. We believe that it is very important to continue exploring economic opportunities with our counterparts in Japan.

Congratulations on the remarkable 50-year journey of the Japan Cooperation Centre for the Middle East. This anniversary not only commemorates the past but also sets the stage for a future marked by further growth and success.

The establishment of the Abu Dhabi Japan Economic Council (ADJEC) in 2011 under the Memorandum Agreement stands as a testament to our joint efforts to enhance high-level communication on trade, economic, and investment relations between Abu Dhabi and Japan. The nine meetings held until March 2023 have proven fruitful, leading to significant business outcomes.

I express my deep gratitude for your support and collaboration over the years, which have brought us to this remarkable milestone. Anticipating many more years of fruitful collaboration, we look forward to building on our shared successes.

Please accept, the assurances of my highest consideration.

Kind Regards,

Ahmed Jasim Al Zaabi
