

"Top Management Breakfast Meeting" held

On Monday, March 11th, at 8 a.m., a "Top Management Breakfast Meeting" was held at Hotel Grand Arc Hanzomon. We invited Mr. Iida Yuji, Vice-Minister of Economy, Trade and Industry, as a guest speaker, to deliver a speech on "Recent Trends in Economic Security and GX-related Policies of the Ministry of Economy, Trade and Industry."

On the day of the event, a total of 26 people participated, including 21 representatives from supporting member companies and organizations, four (4) representatives from non-supporting entities, and one (1) accompanying staff. From the JCCME, Chairman Miyanaga, President Kodaira, and Senior Managing Director Omote (moderator) also attended.

Following Vice-Minister Iida's speech, a lively Q&A session ensued, in which leaders from various fields shared profound insights into economic and industrial policy. The breakfast meeting was a great success.

Looking ahead, the Top Management Breakfast Meeting aims to further develop as a platform for exchanging ideas among experts, focusing not only on critical issues and trends in the industry but also on challenges faced by the Middle East and North African countries.
